# WHAT ARE LIFE GROUPS?

LIFE Groups are an extremely important part of the Bible Study Program at Southcrest. These groups are designed to help every individual grow in their personal walk with Christ. In a LIFE Group, you will experience love, learn from God's Word, and fellowship with other believers.

Life Groups are the place for establishing life-long relationships within the church family. LIFE Groups meet at 8:00, 9:15, and 10:50 Sunday mornings for all age groups.
